II. INTRODUCTION

A. BACKGROUND/HISTORY

1. Librarians’ status in the University of California changed from that of staff employees to non-Senate academic employees in the 1960’s. Until 1970/1971 their initial appointments and subsequent performance reviews continued to be carried out through a hierarchical, administrative process.

That year, a process which incorporated a peer review component into the evaluation of proposed appointments and performance reviews was introduced for the Librarian Series. This process was described in chapters introduced for the first time into the University’s Academic Personnel Manual (APM). The Librarians’ Association of the University of California (LAUC) played an instrumental role in drafting those University wide policies, as well as the related procedural documents on each campus, and has remained actively involved in the revisions and updates of those documents.

2. A key principle inherent in the peer review component of this process is the concept that appointees in the Librarian Series participate in, and share responsibility for, evaluation of the qualifications of proposed new appointees to the Series and for their subsequent professional performance. The Librarian Series is the only non-Senate academic series in the University that uses a peer review component in the evaluation of proposed appointments and professional performance.

B. PURPOSE

1. These guidelines are designed to provide detailed procedures for conducting appointment and performance reviews of UC Riverside Librarians.

2. Objective and thorough reviews of the qualifications of Candidates for appointment, merit increase, promotion, and career status are conducted at specific intervals. The review process, in addition to its value as a means of commending demonstrated individual growth and sustained excellence, serves to ensure the high quality of library service provided to the UC Riverside community by Librarians in the Librarian Series.

C. AUTHORITY/CRITERIA

1. The review procedures for Librarians are governed by two documents: the University of California and University Council-American Federation of Teachers Memorandum of Understanding (UC-AFT MOU) for represented librarians and the University of California Academic Personnel Manual (APM) for non-represented librarians. Specifically, these procedures are consistent with the provisions of UC-AFT MOU Articles 4, 5 and 13, and APM Sections 360 and 210-4.

2. In accordance with an option provided for in APM Sections 360-6 and 360-24, the Vice Provost for Academic Personnel (VPAP) at UC Riverside has delegated to the University Librarian responsibility for final personnel actions for incumbents in the Librarian Series, except in those instances outlined in section 4 below.

3. As stated in APM 360-6 or UC-AFT MOU, Article 5.A, as appropriate, it is the function of the review committees to advise the officer who makes the final decisions.
At UC Riverside, review committees are advisory to the University Librarian. (There is variation among the UC campuses in the Chancellors' practices of delegating authority for approving actions affecting the Librarian Series.)

4. When there is significant difference between Committee on Appointment, Promotion and Advancement-Librarians (CAPA-L) (formerly known as CACLS) and the University Librarian (UL) on cases of promotion, retention, or dismissal, then the review file will go to the VPAP for review if the CAPA-L recommendation was positive and the University Librarian’s decision was negative. However, in cases of merit reviews, the University Librarian’s decision as to whether a candidate receives standard vs. greater than standard merit and the number of points does not constitute a significant difference even if CAPA-L recommends a higher number of points than does the UL.

D. STAGES OF THE REVIEW

1. Each appointment or performance review is conducted in three stages:

   a) Department level review, including the Review Initiator’s review and recommendation for personnel action as well as that of relevant Assistant/Associate University Librarian and, as appropriate, department head. In cases of performance review, the Candidate’s Statement of Professional Achievements precedes this.

   b) Peer review by the LAUC-R Committee on Appointment, Promotion, and Advancement - Librarians (CAPA-L) and, in specified cases, an Ad Hoc Committee;

   c) Administrative review, including the University Librarian's final decision for action. Except in cases described above.

III. BASIC PRINCIPLES

A. OBJECTIVITY

1. The review shall be based on an objective appraisal of the documentation in relation to the criteria stated in the APM or MOU, as appropriate. The documentation shall be in sufficient detail to make an objective appraisal possible. All decisions and recommendations shall be based solely upon materials within the review file. The file shall not include documents that are not pertinent to the evaluation of professional performance (e.g. financial records, court records, medical records, records of political activity, or other personal information).

B. CONFIDENTIALITY

1. Files are not to be discussed or shared with individuals who are not part of the Candidate’s review process as outlined in this document.

2. It is the responsibility of all involved in the peer review process to scrupulously respect the confidentiality of their deliberations and the records and documents they examine. All personnel records, reports, and documents relating to a Candidate’s case shall be kept in Library Human Resources when not in use by an authorized reviewer. All physical documents in transit shall be in sealed envelopes marked
"Confidential"; all documents sent electronically shall be labeled as “Confidential” in their subject lines, if email, or across the top of the electronic document in all other cases.

C. TIMELINESS

1. It is the responsibility of all involved to ensure that assignments are performed with the greatest possible care and promptness. Adherence to calendar deadlines is in the best interest of all participants.

D. PROFESSIONAL RESPONSIBILITY

1. It is a professional responsibility for each Librarian at UC Riverside to serve on Ad Hoc Committees when requested to do so. Some Librarians may serve on several such committees each year. A person may disqualify himself/herself, but only if s/he questions his/her ability to make an objective judgment in a particular case.

E. NONDISCRIMINATION

(UC-AFT MOU Article 2, as appropriate)

1. The review process shall be applied equally to all Librarians at UC Riverside within the limits imposed by law or University regulations without regard to race, color, religious, sex, sexual orientation, gender identity, national origin, age, disability, protected veteran status, or any other characteristic protected by law.

F. TRANSPARENCY

1. At every stage, the candidates will have access to material in their files that is not confidential and to redacted versions of confidential materials. They will have an opportunity to respond to all materials.

   a) A standard review is one that takes place every two (2) years at the Assistant and Associate ranks and three (3) years at the Librarian rank.

2. OFF CYCLE REVIEW  
   (APM 360-17.b (5) and UC-AFT MOU Article 4.E.2.b and d)
   a) An off cycle review is one that takes place earlier than the standard review.
      (1) Review Initiators may initiate off cycle reviews for their direct reports.
      (2) A represented Candidate may not initiate an off-cycle review during the life of the UC-AFT MOU in effect until September 30, 2018 at 11:59pm.

      (1) A deferral of a review for a one year period may be requested by the Candidate or the Review Initiator, but may be initiated only with the written agreement of the Candidate, and may be approved only when there is insufficient evidence to evaluate performance due to prolonged absence or other unusual circumstances since the last personnel review.

      (2) Reasons for the review deferral must be submitted in writing (by the deadline established by the University – or similar language) and must be submitted for written recommendations in the following sequence: Review Initiator, Assistant/Associate University Librarian, Department Head (as appropriate) and then to the University Librarian for decision.
C. TYPES OF ACTIONS

1. POTENTIAL CAREER STATUS
   (APM 360-17 and UC-AFT MOU Article 4.D.5)
   a) Potential Career Status refers to a trial period for new appointees. An appointee whose appointment is not explicitly temporary, and who is at the rank of Assistant Librarian or a new appointee at any rank is in Potential Career Status for a trial period. If, after careful and thorough review, the appointee is not placed in Career Status within the time limit specified for that rank, the appointment is terminated after due notice.

2. CAREER STATUS
   (APM 360-8.e and UC-AFT MOU Article 4.E.1.a)
   a) Career Status is a continuing appointment, achieved only after successful completion of a suitable trial period in Potential Career Status.
   b) An appointee with Career Status making an intercampus transfer retains Career Status.

3. MERIT INCREASE
   a) A merit increase is an advancement following a positive review. A positive review shall result in an increase of at least two (2) salary points on the applicable scale for an Assistant and Associate ranks, and at least three (3) salary points on the applicable scale at the Librarian rank.
      (1) An increase of less than the minimum may be awarded in cases where fewer points remain on the scale of the Candidate’s respective rank.
      (2) The University is not precluded from granting merit increases of a greater number of points for any justifiable reason. A Review Initiator may recommend a greater number of salary points if s/he feels that the Candidate’s review file reflects evidence of unusual achievement and exceptional promise of continued growth (See Appendix VII for a more detailed description and guidelines).

4. PROMOTION
   (APM 360-8.d and UC-AFT MOU Articles 4.E.1.c and 13.C.2.e and g)
   a) A promotion is advancement to the next highest rank within the Librarian Series. A Candidate may request a promotional review once s/he has achieved a salary in a rank that overlaps with the next rank. Candidates with six years of service at the Assistant Librarian rank are eligible for a promotional review even if they have not achieved a salary that overlaps with the Associate Librarian rank.
      (1) If a promotional review is requested, a positive review will result in promotion to the next rank. Upon promotion, the Candidate will receive an increase of at least two (2) salary points above their previous salary amount if being promoted to the Associate Librarian rank, and at least three (3) salary points above their previous salary amount if being promoted to the Librarian rank.
5. NO ACTION  
(UC-AFT MOU Articles 4.E.1.d and 13.C.2.d)

a) A no action is one of the following:

(1) A neutral, non-prejudicial action for those at the top salary point of the Associate or Librarian rank.

(2) An action intended to address performance issues and the actions required to improve that performance for those at any salary point.

b) In exceptional circumstances, a librarian who receives a no-action may be awarded a one (1) point salary advancement at the Assistant and Associate Librarian ranks and a one (1) or a two (2) point advancement at the Librarian rank.

D. CRITERIA FOR REVIEW  
(APM 360-10 and 210-4-e and UC-AFT MOU Articles 4.B and 4.C)

1. A Candidate shall be evaluated on the basis of the criteria listed below. In considering a Candidate, reasonable flexibility is to be exercised in weighing the comparative relevance of the criteria.

a) REVIEW OF PROFESSIONAL PERFORMANCE

(1) Professional Competence and Service within the Library

(a) Encompasses achievement and service in areas of primary responsibilities as well as other contributions to the library such as committee work and special assignments. Include here mention of substantive documents, such as reports and manuals, prepared for internal use. Library instruction goes here, including teaching and preparation of instructional materials. Also include here participation in UC-wide committees on which membership is required as part of the Candidate’s responsibilities, such as collection development groups. Include management and supervisory responsibilities as relevant to the position.

(2) Professional Activity outside the Library

(a) Includes service and contributions to professional and scholarly associations, e.g. committee work, program participation as panelist or discussion leader, offices held, consulting work, and editorial activity outside of primary responsibilities. [Note: Attendance at professional meetings, workshops, institutes, etc. should appear in Section b.1 (see below); formal papers delivered at meetings that result from research activities should appear in Section 4.a]

(3) University and Library Related Public Service

(a) Includes teaching courses for credit through an academic department; service and contributions to LAUC, both locally and statewide; service and contributions outside the scope of the primary
job responsibilities to UC Riverside-wide or UC-wide committees, working groups, etc. (including special contributions, such as chairing or undertaking special projects, that exceed the required participation in such groups mandated by the Candidate’s primary responsibilities [see 1.a]). Also includes professional service as a consultant, speaker, or expert witness to public service oriented groups, officials or associations.

(4) Research and Other Creative Work

(a) Includes research completed or portions thereof completed during the review period, research in progress and/or continuing projects. Grants and/or fellowships awarded to support such activities should be reported and the resulting publications cited. Includes scholarly and professional publications, addresses, formal papers and presentations, reports of research, and other creative activity including preparation of exhibits. Documents prepared for internal use or for library instruction should be included under Section 1.a.

b) PROFESSIONAL GROWTH AND CONTINUING PROFESSIONAL EDUCATION

(1) Includes attendance at conferences, workshops, institutes, and formal courses.

c) OTHER FACTORS RELATED TO PERFORMANCE

(1) Includes additional factors that may help Reviewers form an objective appraisal of the Candidate’s performance, or a summary of factors important in weighing the evidence in the file. Examples include mainly medical issues (someone out for 6 months for a medical issue, maternity/paternity leave) or other extended leaves; during reorganization, one could note continuing some parts of their previous positions in addition to new positions; sometimes used to justify an out of cycle or greater than standard review. Reference to a medical leave or other extended leave must not contain detailed discussion of the reasons for a leave of absence, in instances where this may constitute a potential breach of confidentiality.

E. THE REVIEW PERIOD

1. RESTRICTIONS

a) The review file shall consider activities and documentation that relate to the period under review only (see Section III.B, Types of Reviews, above). Reference to earlier events or projects, or to previous reviews, should not be made unless clearly essential to the current review.

b) In cases of promotion or career status, discussion of the Candidate’s entire relevant professional career history is required. It is the responsibility of both the Candidate and the Review Initiator to work together to present a thorough picture of the entire career history in the review file.

c) In the case of new appointees undergoing their first review, the documentation relevant to Criteria for Review should cover the same time period as that of other
Librarians at their level. Candidates should also include evidence from Criteria sections 2 and 3 as appropriate.

2. RESPONSIBILITY

a) When a Review Initiator has responsibility for a department for only a portion of a review period, the Review Initiator will be asked to write a letter for those Candidates that have been under his/her supervision for at least six months of the review cycle. The letter will discuss performance since the last review in all of the areas noted above. When the former Review Initiator is still employed by the University of California, she or he will provide a letter and have a discussion about the letter with each Candidate supervised; when the former Review Initiator is no longer employed by the University of California, the Candidate, the Review Initiator, the Department Head, the AUL, and the UL may request a letter from the former Review Initiator as a Referee. Each Candidate will also have the opportunity to respond in writing to the letter. The resulting documentation will be signed by both the Review Initiator and the Candidate and then submitted to Library Human Resources for inclusion in the documentation for the next review.

b) In all cases, the Review Initiator supervising the Candidate on the date at which the review file is due to Library Human Resources shall write the recommendation for personnel action. In cases in which the Candidate has changed departments during the review period, and the recommending Review Initiator has not been the supervisor during the majority of the review period, the recommending Review Initiator will prepare the recommendation in consultation with the prior Review Initiator(s). If there is any disagreement among these Review Initiators regarding the recommendation, that disagreement will be noted in the current Review Initiator’s review.

V. REVIEW PROCEDURES: MERIT INCREASE, PROMOTION, AND CAREER STATUS

A. ADVANCE PREPARATION FOR ACADEMIC REVIEWS (APM 360-17-c, d, 360-80-a, d and UC-AFT MOU Article 5.B and 5.C as appropriate)

1. DETERMINATION OF ELIGIBILITY FOR REVIEW

a) Each year prior to the beginning of the review process, each Librarian shall be notified in writing of his/her eligibility for review.

b) Eligibility is determined according to the intervals for academic reviews stated in APM 360-80-a and UC-AFT MOU 5.B, as appropriate; the policy for calculating periods of service is found in APM 360-17-d.

2. NOTIFICATION OF ELIGIBILITY FOR REVIEW

a) Approximately one month before the review process begins, all Candidates for review and Review Initiators to which the Candidates are assigned shall be provided with a written list from Library Human Resources of the personnel actions for which the Candidate is eligible in the upcoming review. The Candidate and Review Initiator shall be asked to review the summary of options for accuracy.
B. THE CALL
(APM 360-80-c and UC-AFT MOU Article 5.D, as appropriate)

1. DISTRIBUTION OF PACKETS, INSTRUCTIONS AND CALENDAR
   a) All Candidates for review and their Review Initiator will receive from Library Human Resources a complete review packet, including this document or a link to this document and a link to the forms required to complete the review no later than 30 calendar days prior to the first required action following the issuance of the call. [See Appendix I for lists of the forms and documentation included in the review file.]

2. CALENDAR
   a) All parties shall adhere to the University-established calendar. The Candidate shall be notified of the decision in a timely manner prior to the implementation of the approved changes in salary. If necessary, in individual cases, provisions for reasonable extensions shall be developed in consultation with the LHR.

C. REVIEW INITIATOR LEVEL REVIEW PROCEDURES

1. INITIAL CONSULTATION
   a) Early in the course of a personnel review, the Review Initiator shall notify the Candidate of the impending review. In conference(s) with the Candidate, the Review Initiator will make certain the Candidate is adequately informed about the entire review process, including the criteria specified in Section 210 4 of the APM or Articles 4 and 5 of the MOU. The Candidate shall be given the opportunity to ask questions and to supply pertinent information and evidence to be used in the review.

2. CHECKLIST A
   a) Checklist A (Appendix II) shall be initialed and dated by the Candidate and the Review Initiator as a way to certify that the necessary steps of the review process have been fulfilled. This may be done as the steps are completed, or all at once at the end of the review process.

3. RESPONSIBILITY FOR REVIEW INITIATOR LEVEL REVIEW
   a) The Review Initiator in the Candidate's home program shall initiate the review.

4. REVIEW FILE DOCUMENTS
   (UC-AFT MOU Article 5.H, as appropriate)
   a) LETTERS OF REFERENCE LIST
      (1) The Candidate shall submit to the Review Initiator a list of names of persons from whom letters of reference and/or secondary evaluations might be solicited. The Candidate may also list names of persons who, for reasons set forth in writing, might not objectively evaluate, in a letter or on a committee, the Candidate's qualifications or performance.
(2) See Section IV.C.4.1 (Letters of Reference) below for a further instructions and guidance regarding letters of reference.

(3) The list should be provided according to the review calendar so that there is sufficient time for the letters to be completed and received by the required date.

b) ACADEMIC BIOGRAPHY FORM

(1) The Candidate will update the Academic Biography Form.

(2) The Candidate and the Review Initiator should initial and date the Academic Biography Form.

c) CANDIDATE’S STATEMENT OF PRIMARY RESPONSIBILITIES (SOPR)

(1) A Statement of Primary Responsibilities shall be prepared for the first review or for any review during which the Candidate has changed positions. For subsequent reviews the Candidate has the option of submitting the previous Statement of Primary Responsibilities, updating it with comments about any changes, marking it revised, and dating it.

(2) A Statement of Primary Responsibilities should consist of a concise descriptive statement (normally one page) outlining present responsibilities. Such descriptive detail would not typically be repeated in the goals statement or in the Candidate's self-evaluation, which is an evaluative appraisal rather than a descriptive statement.

(a) The Candidate's existing Statement of Primary Responsibilities shall be discussed at the initial review meeting and if no changes are necessary, can be added to the file as a copy. If changes are needed, the document can be edited and, when the SOPR has been agreed upon, the Candidate and the Review Initiator should sign and date it and add it to the Review File.

d) CANDIDATE’S STATEMENT OF PROFESSIONAL ACHIEVEMENT (SOPA)

(1) A brief, concise self-review of “pertinent information and evidence” shall be prepared, consisting of a page or so of vita-style enumeration of accomplishments keyed to the criteria outlined in Section IV.D above, followed by a narrative discussion of no more than three of the most significant items within 1.a and no more than three of the most significant items within criteria 1.b-d. The length for an entire self-review should be no more than 2 pages of narrative for merit reviews and no more than 5 pages of narrative for promotion.

(2) When the Candidate has completed his/her Statement of Primary Responsibilities, Statement of Professional Achievement, and the Academic Biography Form, the documents shall be assembled and submitted to the Candidate’s Review Initiator. Checklist A will be updated and initialed by the Candidate and the Review Initiator.
e) LETTERS OF REFERENCE

(APM 160 and UC-AFT MOU Article 5.G, as appropriate)

(1) Letters of reference are required for promotion and career status and recommended in cases of greater than standard merit increase in which the home Review Initiator does not have firsthand knowledge of the individual's performance in a certain area.

(2) The candidate shall submit to their Review Initiator a Candidate’s Request for Letters of Evaluation Form. On this form they may specify desired referees, or “Not Applicable.” They may also specify names of 2-3 persons who, for reasons set forth by the Candidate, might not objectively evaluate the Candidate's qualifications and performance.

(3) The Review Initiator shall submit to Library Human Resources the names of persons from whom Library Human Resources shall request letters of reference. These names may have been supplied by the Candidate, the Review Initiator, the AUL for the Candidate’s Division, as appropriate, and the UL. For each letter of reference to be solicited, the Referee shall be asked to address specific aspects of the Candidate’s performance with which s/he is familiar.

(4) If letters of reference are solicited, according to the situations specified in section 1 above, a reasonable number of solicited letters should be from the list of names supplied by the Candidate. Although there is no set limit, usually not more than four letters shall be requested. Both the Candidate’s list and the final list shall become part of the review file.

(5) Due to the time constraints of the process, if the candidate requests greater than standard merit, an appropriate set of letters will be solicited, regardless of the action recommendations of the Review Initiator.

(6) The Review Initiator should use extreme caution when deciding to solicit letters from persons the candidate specified might not objectively evaluate the Candidate's qualifications and performance. If such named reviewer is used, the Review Initiator should explain the reasons for consulting the named individual so that the file will show not only the Candidate's reasons for the exclusion, but also the reason for the Review Initiator’s decision to seek input from the named person.

(7) Letters of Reference may be requested from colleagues, faculty, library or other University staff, or library users who are familiar with the Candidate's performance. If the Referee is internal to the UCR Library, this is considered a Secondary Evaluation and is addressed in Section g below.

(8) When the letters of reference have been received by Library Human Resources, copies shall be sent to the Review Initiator for inclusion in the review file. Redacted copies will be made available to the Candidate upon receipt.

(9) The Review Initiator shall be informed by Library Human Resources of the names of persons from whom letters of reference have not been
received within a reasonable period of time and a name may be substituted, if necessary, to complete the file.

(10) The Review Initiator shall ensure to the best of their ability that the Candidate will not know the name of any person from whom a letter has been requested.

(11) Candidates have the option of requesting informal letters from any colleagues they feel can speak to the significance of their achievements. If these are passed to the Review Initiator, they are always included in the file.

f) REVIEW INITIATOR'S EVALUATION

(1) It is the responsibility of the Review Initiator to thoroughly evaluate the work of the Candidate in relation to the criteria set forth in APM 360-10 and 210-4-e (3) or UC-AFT MOU Articles 4.C and 5.H as detailed in section III.D above and to make an appropriate recommendation for career status, merit increase, promotion, no action, or termination. Off cycle and deferred reviews should be clearly identified as such.

(a) The Review Initiator shall thoroughly evaluate the Candidate's professional service to the Library, concentrating on performance in each major area of responsibility and on the Candidate's progress toward achieving any of the goals that may have been established during the prior review. S/he shall evaluate the quality and quantity of the Candidate's work, and acknowledge the Candidate's activities as reviewed by a Secondary Evaluator, if necessary. Comments on the value of the Candidate's work to the program and the Library should be included. Specific aspects of the Candidate's work that are carried out exceptionally well or that need improvement should be commented upon. Mention should be made of activities that have contributed to the Candidate's professional growth. In the case of new appointees undergoing their first review, the documentation relevant to criteria III D 1.b-d should cover the same time period as that of other Librarians at their level. In evaluating the Candidate's performance, the Review Initiator shall consider the Candidate's consistency of performance, grasp of library methods, command of subject area, continued growth in field, judgment, leadership—if appropriate, originality, ability to work effectively with others, including contributing to and working effectively in shared decision-making processes, and ability to relate functions to the general goals of the Library within the University. If the Candidate supervises the work of other library staff, the Review Initiator should comment on the quality and effectiveness of the supervision provided.

(2) Evidence of effective service may include the opinions expressed in the letters of reference, the effectiveness of the techniques applied or procedures developed by the Candidate, and relevant additional educational achievement.
(3) Reviews should be brief and concise. In preparing the documentation for the evaluation, the Review Initiator should follow the numbering and headings given in section III.D above. Section 1.a must be discussed. Sections 1.b-d, 2 and 3 shall be discussed to the extent applicable.

g) SECONDARY EVALUATIONS

(1) If appropriate, the Review Initiator shall request from a Secondary Evaluator an evaluation of the Candidate’s performance of the function(s) for which the Secondary Evaluator is responsible during the review period.

(2) When a Candidate has an official assignment split among two or more departments an evaluation is required from each secondary evaluators.

(3) Secondary evaluations are optional in all cases in which a Candidate has a single official reporting line. Optional secondary evaluations are suggested only in instances in which the Candidate’s Review Initiator does not have sufficient knowledge of the Candidate’s performance in a specific area of his/her responsibilities, or if some aspect of his/her job performance will not be evaluated sufficiently elsewhere in the review file. An optional secondary evaluation may be requested by the Candidate, the Secondary Evaluator, or the Review Initiator.

(4) If an evaluation is requested of a Secondary Evaluator, s/he is obligated to fulfill the request in a timely manner in a compliance with the university timeline for the CALL for Librarians.

(5) The procurement of a secondary evaluation will be the responsibility of the Review Initiator. Secondary evaluations will be brief letters which will be included in the review file.

(6) The secondary evaluation(s) shall be shown to and discussed with the Candidate and signed and dated by the Candidate to acknowledge that the secondary evaluation was shared with him/her, the authoring Secondary Evaluator and Review Initiator, and included in the review file. The Candidate’s signature does not constitute nor should be construed as agreement with secondary evaluator’s assessment, only that the assessment was shared with the Candidate.

5. RECOMMENDATION OF PERSONNEL ACTION

a) The Review Initiator shall prepare a recommendation for personnel action for the Candidate, indicating the recommended review action and the proposed rank, salary point increase, and status in the Librarian Series.

b) In the case of a Candidate with responsibilities in departments, the recommendation for personnel action will be made having taken into consideration the evaluations of all Secondary Evaluators.
6. REVIEW INITIATOR’S CONFERENCE WITH THE CANDIDATE

   a) The Review Initiator shall review the following documents with the Candidate and each shall be acknowledged on the appropriate check-list form signed and dated by the Review Initiator and the Candidate:

      (1) The Candidate’s Statement of Professional Achievement.

      (2) The evaluation by the Review Initiator and Secondary Evaluators (if applicable).

      (3) Redacted copies of the letters of reference.

      (4) The Review Initiator’s recommendation for personnel action.

7. CANDIDATE’S RESPONSE TO MATERIAL IN THE FILE (UC-AFT MOU Article 5.H, as appropriate)

   The Candidate may submit for inclusion in the file a written statement in response to or commenting upon material in the review file.

8. ASSEMBLING DEPARTMENT LEVEL REVIEW FILE

   The Review Initiator will assemble all of the documents listed above [See Appendix I for reference.] into the final review file for transmittal to Library Human Resources. The Review Initiator shall review all documents, including “Checklist A” (Appendix II), for completeness and for appropriate signatures and dates.

9. REDACTED COPIES OF CONFIDENTIAL DOCUMENTS

   Library Human Resources will provide redacted copies of confidential documents included in the record such as Confidential Letters. See Appendix VI for a greater explanation of this policy.

10. NON-CONFIDENTIAL MATERIALS AVAILABLE TO CANDIDATE (UC-AFT MOU Article 5.K, as appropriate)

   The final non-confidential contents of the review file shall be given to the Candidate for examination before the file is forwarded for peer review. The Candidate shall have the opportunity to request from Library Human Resources copies of any non-confidential parts of his/her review file that have not already been distributed to the Candidate.

11. ASSISTANT/ASSOCIATE UNIVERSITY LIBRARIAN REVIEW

   If the direct line AUL is not the Review Initiator, the assessment and recommendation for action by the AUL in the Candidate’s reporting line will be discussed with the Candidate, signed by Candidate and AUL, and added to the file before it is turned in to Library Human Resources for peer review.
D. PEER REVIEW PROCEDURES

1. PROCEDURE
   
a) On completion of the program level review procedures, the Review Initiator shall submit the Candidate’s review file up through the appropriate AUL, who after reviewing the file and writing their assessment/recommendation and discussing it with the Candidate, will forward the file to Library Human Resources who shall check it for completeness, including all signatures, and transmit the file to CAPA-L. CAPA-L shall act as a peer review committee for all files. Depending on the nature of the review, an Ad Hoc Committee may also be formed to review the file.

2. COMMITTEE ON APPOINTMENT, PROMOTION AND ADVANCEMENT – LIBRARIANS (CAPA-L)

      (1) Members shall be elected by all eligible academic Library staff at the annual LAUC-R election for three years with terms staggered so that one member and two alternates are elected each year. The member serving their third year is the chair. If a vacancy occurs in CAPA-L, the method of filling it shall be determined according to LAUC-R Bylaws. No Librarian shall serve consecutive terms as a member of CAPA-L.

b) CAPA-L COMPOSITION
   
   (UC-AFT MOU Article 5.A, as appropriate)
   
   (1) Membership of CAPA-L shall consist of four members from the Librarian Series with Career Status.

c) CAPA-L QUORUM

3. AD HOC COMMITTEES
   
a) PURPOSE AND DUTIES OF AD HOC COMMITTEES
      
      (1) Each Ad Hoc Committee shall be separately constituted for the purpose of reviewing a recommended personnel action.
(2) Each Ad Hoc Committee shall review the documentation and shall be responsible for assessing an individual's performance during a given review period to determine if a career status or termination action should be recommended.

b) SERVICE ON AD HOC COMMITTEES

(1) It shall be a professional responsibility for each career status Librarian at UC Riverside to serve on Ad Hoc Committees. It is anticipated that some Librarians shall serve on several such committees each year.

(2) A person may disqualify himself/herself, but only if s/he questions his/her ability to make an objective judgment in a particular case, and CAPA-L shall recommend an alternate.

c) FORMATION OF AD HOC COMMITTEES

(1) Ad Hoc committees shall be formed under the following circumstances:

(a) In all cases of career status or termination.

(b) Library Human Resources shall notify the Ad Hoc Chair of the assignment and members.

(c) Ad Hoc Review Committees shall convene as soon as possible after appointment by the CAPA-L.

e) COMPOSITION OF AD HOC COMMITTEES

(1) Members of CAPA-L may not serve on an Ad Hoc Committee.

(2) Former members of CAPA-L may not serve on an Ad Hoc Committee the year following their final year on CAPA-L.
(3) Librarians who have contributed documentation to a review file may not serve on the Ad Hoc Committee to review that Candidate's file for that review cycle.

(4) Librarians shall not be selected for an ad hoc if they have been specified by the Candidate as potentially not being able to evaluate their performance objectively on their Candidate's Request for Letters of Evaluation Form. When convening an ad hoc note should be taken of the Candidate's statement about individuals who may not be able to evaluate the file objectively (see Section V.C.4.a).

(5) It is desirable that an Ad Hoc Committee for performance review include a Librarian whose functional area of expertise is related to that of the person whose performance is being reviewed.

(6) Each Ad Hoc Committee shall consist of three members as follows:

(a) At least one member of an Ad Hoc committee shall hold a rank equal to that which is requested by or recommended for the candidate.

d) The documentation shall be in sufficient detail to make an objective appraisal possible. Documentation shall include a statement of the Candidate's present rank and salary point.

e) Documents lacking in detail shall be returned for amplification, or additional documentation shall be requested through Library Human Resources. The committee may name an individual from whom to request additional documentation, or may request the Review Initiator name an individual to address a specific area of performance. Such documentation shall be added to the review file after the Librarian under review has been given copies of any non-confidential material and redacted copies of any confidential material added to the review file. The Candidate and his/her Review Initiator shall be provided an opportunity to submit a written statement in response to the additions to the review record. The certification statement called "Checklist B" (Appendix III) will be annotated to verify that these steps have been completed.

E. ADMINISTRATIVE REVIEW

1. UNIVERSITY LIBRARIAN'S REVIEW AND DECISION

a) When the reports of the CAPA-L and, if applicable, the Ad Hoc Committee, have been submitted, the file is ready for review by the University Librarian.

b) Using the criteria provided in the APM (Sections 210-4-e and Section 360 10) or UC-AFT MOU Article 4.C, the University Librarian shall review the documentation in each file.

c) The documentation shall be in sufficient detail to make an objective appraisal possible. Documentation shall include a statement of the Candidate’s present rank and salary point.

d) Documents lacking in detail shall be returned for amplification, or additional documentation shall be requested through Library Human Resources. Such documentation shall be added to the review file after the Librarian under review has been given copies of any non-confidential material or a redacted copy of any confidential material added to the review file. The Candidate and his/her Review Initiator shall be provided an opportunity to submit a written statement in response to the additions to the review record. The certification statement called "Checklist B" (see Appendix III) will be annotated to verify that these steps have been completed.

e) An AUL shall recuse him/herself from reviewing any file when

(1) s/he has contributed documentation as the recommending officer during the current review period.

(2) s/he questions her/his ability to make an objective judgment in any particular case.

f) The University librarian, in consultation with the AULs who have not previously participated in review of the file or contributed to the file in any way, shall make a preliminary decision after weighing each recommended action in relation to all others.

(1) If there is no significant disagreement between administrative and peer review conclusions, the UL will prepare a letter to the Candidate in its final (but unsigned) form for transmittal to CAPA-L.

(2) In the event that there is disagreement between the UL’s decision and the recommendation of CAPA-L on issues related to merit—not including career status, promotion, and/or termination—the UL’s decision will stand and the
UL will prepare a letter to the Candidate in its final (but unsigned) form for transmittal to CAPA-L.

(3) In the event that any tentative decision of the University Librarian in cases of career status, promotion, and/or termination is not in agreement with a positive recommendation of CAPA-L and/or the Ad Hoc committee, the University Librarian shall prepare for the review committee(s) in question a written report outlining the reasons behind the tentative decision.

(a) The UL shall place this report, and any documentation created by the review committee(s) in this process, in the review file and shall ask for any further information that might suggest a different decision. If the report is addressed to the Ad Hoc Committee, the Ad Hoc Committee shall have the opportunity for further comment before the final decision is made. CAPA-L shall also have the opportunity for further comment before the decision is made. LHR will also make this report available, with the name of the committee members redacted, to the Candidate upon written request.

(b) Upon review of said further information, if there is change in the UL’s decision, the process will return to step F above.

(c) If there is no change in the UL’s decision, the UL shall submit the CAPA-L review and the UL’s tentative decision to the VPAP for evaluation and decision.

(d) The VPAP shall review the complete file, including the UL’s tentative decision and the CAPA-L report(s) and any further information that CAPA-L has provided in response to the UL’s tentative decision. The VPAP shall then notify the UL, LHR, and CAPA-L of the final decision.

At a minimum, the letter shall inform the Candidate of the personnel action received, his/her new salary, and the number of salary points awarded. The letter shall summarize the consensus of those who participated in the review. The CAPA-L report shall also be included with the University Librarian’s letter to the Candidate.

b) The University Librarian's final letter shall be submitted to each Candidate and his/her Review Initiator.

c) Library Human Resources shall place a copy of the University Librarian's final letter in the Candidate's folder and shall make it available to any member of CAPA-L or the Ad Hoc committee involved in the review by appointment with LHR.
G. APPEALS

1. If the Candidate contemplates appeal of the decision, s/he may request a meeting with Library Human Resources to discuss questions involving the review. A Candidate may not request an appeal on a merit review.

2. Following the meeting with Library Human Resources, if the Candidate believes that an eligible review was not objective, s/he may appeal through the University Librarian who shall notify CAPA-L. The Candidate shall submit an appeal in writing, which shall serve as a basis for CAPA-L's review. If CAPA-L believes that the Candidate’s appeal is warranted, CAPA-L shall review the file again and submit a report to the University Librarian.

3. After using the appeal procedure stated above, if the Candidate still wishes to appeal the decision of the University Librarian, such appeal shall be in writing to the Vice Provost for Academic Personnel and in accordance with the APM Section 140: Appeals Policy or UC-AFT MOU Articles 5.Q and 24 or 25, as appropriate.

H. FILE COMPLETION

1. A scanned copy of the completed file will be forwarded electronically to the Academic Personnel Office. The original file is retained by Library Human Resources in the confidential portion of each Librarian’s personnel file. D. APPENDIX IV—GUIDELINES FOR TELEPHONE REFERENCE CHECKS USED IN RECRUITMENTS FOR ACADEMIC POSITIONS IN THE UC RIVERSIDE LIBRARY

Approved 8/2015

The Referee should be contacted initially by telephone or electronic mail in order to 1) arrange the date and time for subsequent formal telephone interview; 2) inform the Referee that a position description will be sent to him/her in advance of the telephone interview; 3) explain UC policy on a successful Candidate’s right of access to the redacted text of confidential references; and 4) confirm that a copy of the remarks attributed to the Referee will be sent to him/her for signature and date or electronic mail notification of confirmation following the interview.

A list of questions should be prepared for use in each of the interviews to ensure consistency in the kinds of information gathered. The questions should focus on qualifications relevant to the specific position and to appointment in the Librarian Series, as well as interpersonal skills needed to work effectively with others. Additionally, the Caller should ask the Referee whether he/she has any reservations regarding the Candidate’s qualifications.

As soon as possible following the telephone interview, the Caller should prepare a written summary of the comments provided by the Referee, taking care to indicate whether the written remarks represent the gist of the Referee’s comments or are exact quotes from him/her. These comments, when sent to the Referee, should provide a summary statement regarding the Referee’s written confirmation and date.

This summary should be accompanied by a short letter which offers the Referee the opportunity to correct any inaccuracies in the summary and which includes the usual paragraph advising Referees about UC policies on confidential references:

*Under University of California policy, the identity of authors of letters of evaluation that are included in the personnel review files will be held in confidence. A candidate may, upon request and at certain prescribed stages of the academic personnel review process, be provided with access to such letters in redacted form. Redaction is defined as the removal of identifying information (including name, title, institutional affiliation, and relationship to the candidate) contained either at the top of the electronic mail or within and below the signature block.*

*The full text of the body of this transcript will therefore be provided to the successful candidate if so requested. Thus, if you provide any information that tends to identify you in the body of the letter, that information may become available to the candidate.*

*Although we cannot guarantee that at some future time a court or governmental agency will not require the disclosure of the source of confidential evaluations in the University of California personnel files, we can assure you that the University will endeavor to protect the identity of authors of letters of evaluation to the fullest extent allowable under the law.*

Informal telephone reference checks with undesignated Referees may be pursued regarding applicants for Librarian positions, but only in those cases in which we have also contacted their designated Referees for formal reference checks.
E. APPENDIX V—DOCUMENT CHECKLIST FOR APPOINTMENT FILES TO BE REVIEWED BY CAPA-L

☐ Review Initiator’s recommendation for appointment memorandum.

☐ Position description.

☐ The Candidate’s original letter of application, resume and list of references.

☐ A copy of the solicitation letter sent to each Referee.

☐ A copy of each Referee’s written response, or in cases of telephone reference interviews, a written summary of each interview.

The principle embodied in these documents is that the individual should have the opportunity to be informed about the content of the personnel review file, including:

At the program level

1) The right of access to all non-confidential records and to receive, upon request, a redacted copy of confidential academic review records in the file;
2) The right to comment on the file; and subsequently:
3) The right to have access, upon request, to records in the file as augmented during later stages of the review.

Definitions of documents used in librarians’ academic reviews:

Non-confidential academic review records:
1) The written evaluations - RI evaluation and any Secondary Evaluations.
2) The Review Initiator’s recommendation.
3) The report of CAPA-L.
4) The University Librarian’s final letter.

1) External referees: The removal of identifying information (including name, title, institutional affiliation and relationship to the candidate) contained at the top of the letterhead or within and below the signature block of the letter of evaluation. **The full text of the body of the letter is available to the individual.**

2) Reports/recommendations of Ad Hoc committees shall be available to the individual, but with the names of the committee members removed.
Evaluation Guidelines and Expectations

A Candidate who receives a positive review, which is predicated on a demonstration of high achievement and excellent performance, can expect an action of merit increase. Typically, a positive review results in a merit increase of two salary points on the applicable scale for Assistant and Associate Librarian ranks, and three salary points on the applicable scale at the Librarian rank. An individual who is promoted typically will receive an increase of two salary points above their previous salary at the Assistant Librarian rank, and three points above their previous salary at the Associate Librarian rank. The University is not precluded from granting merit increases of a greater number of points. (Summarized from MOU Article 13.C.2).

In accordance with MOU Article 4.C and APM 360-10, a candidate for a merit increase or promotion is evaluated on the basis of the first of the following criteria, and, to the extent they are relevant, on one or more of the last three:

a) Professional competence and quality of service within the library;
b) Professional activity outside the library;
c) University and public service; and
d) Research and other creative activity.

Reasonable flexibility is exercised in weighing the comparative relevance of these criteria. If a librarian has assumed new responsibilities in Criterion A but not relinquished his/her other responsibilities (often due to staffing reductions), and the increased workload "made it difficult to sustain or expand activities in one or more of the other three criteria," then “candidates and review initiators should explicitly acknowledge constraints inhibiting outside professional activities, and other reviewers should demonstrate requisite flexibility when evaluating professional activities beyond the primary assignment.” Everyone involved in the review process should also “give due weight to accomplishments that involved mastering new and enlarged responsibilities in the primary assignment and in systemwide activities.”

Further, the APM and MOU specify guidance helpfully relevant to Candidates and Review Initiators:

APM 210-4 e (3)

[Some portions of the APM text have been removed for brevity (...), and other text made bold to highlight relevant passages. See also equivalent text in MOU Article 4.C.]

(3) The criteria as set forth in detail below are intended to serve as general guidelines and do not preclude consideration of other unique service to the University. In considering individual candidates, reasonable flexibility is to be exercised in weighing the comparative relevance of these criteria.

1 Language excerpted from UC Berkeley’s 2012 document “Peer Review Standards in a Time of Increased Workload.”
(a) Professional Competence and Quality of Service Within the Library — Although contribution in each of the following areas will vary considerably from person to person depending on each person’s primary functions as a librarian, ...., librarians should be judged on consistency of performance, grasp of library methods, command of their subjects, continued growth in their fields, judgment, leadership, originality, ability to work effectively with others, and ability to relate their functions to the more general goals of the library and the University. Evidence of effective service may include the opinions of professional colleagues, particularly those who work closely or continuously with the appointee; the opinions of faculty members, students, or other members of the University community...

(b) Professional Activity Outside the Library — A candidate’s professional commitment and contribution to the library profession should be evaluated by taking account of such activities as the following: membership and activity in professional and scholarly organizations; participation in library and other professional meetings and conferences; consulting or similar service; outstanding achievement or promise as evidenced by awards, fellowships, grants; teaching and lecturing; and editorial activity.

(c) University and Public Service — Recognition should be given to those who participate effectively and imaginatively in library-wide and University service (including serving on campus or University-wide administrative or academic committees), and in professional librarian services to the community, state, and nation.

(d) Research and Other Creative Activity — Research by practicing librarians has a growing importance as library, bibliographic, and information management activities become more demanding and complex. It is therefore appropriate to take it into account in measuring a librarian’s professional development. The evaluation of such research or other creative activity should be qualitative and not merely quantitative and should be made in comparison with the activity and quality appropriate to the candidate’s specialty. Note should be taken of continued and effective endeavor. Reports, handbooks, manuals, and similar documents may be considered under this heading only if they present new ideas or incorporate research; otherwise, they should be regarded solely as evidence of professional service.²

When applying the above guidelines, the Review Initiator should make the case for the candidate by discussing specific evidence that speaks to superior performance, including such parameters as:

These parameters are merely provided here as examples of the dimensions of performance that should be taken into account. Evaluators are not limited to only these features, nor are these parameters required.

Guidelines for Recommendation of Additional Salary Points

When a Candidate receives a positive review, his/her recommended merit increase may include additional salary points beyond the minimum levels described in the UC-AFT MOU (Articles 4.E.1.b and 13.C.2.d).

The recommendation of additional salary points is directly related to the degree of achievement greater than expected for normal advancement and should be reserved only for cases of unusual performance or exceptional contribution.

Sections of the APM discuss the possibility of accelerated advancement. While the UC Riverside Library no longer uses the term “acceleration,” the description in these documents of how to handle an accelerated action may provide some guidance as to when a recommendation of additional salary points is warranted. [Some portions have been removed for brevity (…), and other text made bold to stress importance.]

APM 210-4.d(2)
Assessment of Evidence: The review committee shall assess the adequacy of evidence submitted. If ... there is evidence of unusual achievement and exceptional promise of continued growth, the committee should not hesitate to endorse or propose a recommendation for accelerated advancement.

APM 210-4.e(2)
[A]ccelerated promotion is possible if achievement has been exceptional. An appointee will be eligible for promotion only if there are demonstrated superior professional skills and achievement.

A recommendation of additional salary points should provide detail that articulates clearly the Candidate’s extraordinary contributions, unusual achievement and/or exceptional promise of continued growth. Exceptional achievement should be evident in all aspects that would be considered for a normal merit increase, including Criteria B, C, or D as appropriate. As with standard merit reviews, reasonable flexibility is to be exercised in weighing the comparative relevance of these criteria.

J. APPENDIX X—STATEMENT OF GOALS

Goals statements are not a formal part of the review process for UC Riverside Librarians, and they are not included in review files. Nevertheless, The UC Riverside Library’s administration recognizes that goal statements are an important management tool that can be utilized to direct the work of an individual library, a program, and the entire UC Riverside Library. In addition, goals statements for individuals ensure that the individual and her or his supervisor are in agreement about the individual's work and its relationship to the goals and needs of the program and library as a whole. Finally, goals statements for individuals can provide scaffolding for the actual self-review. Thus, although not required, each supervisor is permitted to request goals statements from any of the librarians she or he supervises, and each librarian is encouraged to develop individual goals for themselves and discuss them with his or her supervisor or colleagues as appropriate.

I. GOAL SETTING

In consultation with his or her Review Initiator, a UC Riverside Librarian may ask or be asked to submit a goal statement. In such an event,

A. Goals should be consonant with the stated goals and objectives of the program and the library;

B. The goal statement should include the goals established for areas of responsibility within the library, and, to the extent that they are relevant to the goals and objectives of the program, may also address goals for professional activity outside the library, goals for University and public service, and goals for research and other creative activity;

C. Goals should be worded so that it is clear when the goal has been completed, e.g. stated quantitatively, or in terms of developing, enhancing, evaluating or improving products, services, documents, or skills; and

D. Accomplishment of routine tasks should not be included in a goals statement.

II. PERIODIC REVIEW AND MODIFICATION OF GOALS

A. If necessary, the individual librarian and / or the Review Initiator can request that the goals statement be modified to reflect changes in priority at the individual’s, unit’s, department’s, or library’s level.

B. If agreeable to the individual librarian and to the Review Initiator, the goals statement shall be modified accordingly, signed and dated.
