

Fall 2015 Instructional Technology Workshop Series Faculty Technology Support

Computing and Communication's Faculty Technology Support team invites you to participate in its Fall 2015 Workshop Series. **Please register** for the workshops you would like to attend at the following URL: <http://tinyurl.com/fall2015workshops>.

The Learning Glass

We're pleased to introduce you to UCR's new Learning Glass Technology. The Learning Glass combines all the benefits of a whiteboard together with video technology to transcend annotation and personalize instruction. Sessions will be held in the Learning Glass Studio (Olmsted A139) from 10:00-11:00 am on Tuesday, September 22nd and Thursday, October 8th.

For questions about the Learning Glass or to schedule time in the studio, contact us at learningglass@ucr.edu.

View the Learning Glass promotional video: <https://youtu.be/JCoYucuiyOw>.

Instructional Design Analysts

Instructional Design Analysts are available to support your instruction. Contact them with any questions or requests at engage@ucr.edu or email them individually:

Samantha Eastman
