Teaching, Learning & Instructional Support

› Instructional Technology - iLearn

The screenshot displays the iLearn web application interface. At the top, there are navigation tabs for "My UCR", "Courses", and "System Admin". Below these is a green header bar with "Add Module" and "Personalize Page" options. The main content area is divided into several sections:

- Tools:** A list of utility links including Announcements, Calendar, Tasks, My Grades, User Directory, Address Book, Personal Information, Enterprise Surveys, Connect Meetings, and Personal Learning Space (Highlandia).
- My Tasks:** A section for tracking tasks, currently showing "task for facebook" and a "more tasks" button.
- My Messages:** A section for messages, currently showing "You have no new unread messages!" and a "Last Updated: September 9, 2013 9:27 AM" timestamp.
- What's New:** A section for recent updates, currently empty.
- My Announcements:** A central section for institution-wide announcements, currently showing "No Institution Announcements have been posted." and a list of course-specific announcements for American Music, Bb Support/Training, Fine Arts Multimedia Lab Support, Introduction to Music Theory, SOM Committee - Clinical Appointments and Advancements, and SOUNDS - Demo.
- My Courses:** A section for course management, divided into "Courses where you are: Instructor" (listing courses like ACAD_INTERVEN_PILOT, American Music, CnC Demo Course, Fine Arts Multimedia Lab Support, Microsoft eLearning Courses, SOM Committee - Clinical Appointments and Advancements, SOUNDS - Demo, Seminar in Music: Interpretation Of Symphonic Lit 191K (001) (Spring 2013), Student Orientation Course, and Test Course 2012) and "Courses where you are: Course Builder" (listing Faculty iLearn Support).
- Needs Attention:** A section for items requiring attention, currently empty.

[Data Warehouse](#)

Use this to search all orders contained within the purchasing system, as of the previous day. It includes the ability to view legacy orders from the PO-Lite and SubPO systems.

[Vendor Search](#)

Use this to find and view the Vendors that are available in the purchasing system. This link can also be used to request new Vendors.

[Help](#)

This link will take you to the CNC support site for the purchasing system.

New Procurement Supervisor -- for Scientific and Medical related commodities!

Campus Purchasing is pleased to announce the appointment of David Casale as the new UCR Buyer IV to head the Scientific and Medical related commodity group. "Dave" holds a BS in Economics and MBA. He comes to UCR after a previous stint as Procurement Manager at Woods Hole Oceanographic Institute in Massachusetts and as a Procurement Specialist for the University of Pittsburgh in Pennsylvania. Dave will be assuming the role previously filled by David Gee prior to his appointment to Purchasing Manager over two and a half years ago. A special thanks also goes out to Ana Cotton for ably covering this role while it was vacant the past several years and most recently while we completed our search the last few months. Dave starts Monday, August 11th so please help us welcome him to the UCR family. Sincerely,

David Gee
Procurement Services Manager
