RE: UCR ACADEMIC SALARY IMPLEMENTATION PLAN 2019-2020

We are pleased to announce the UCR 2019-20 Academic Salary Program. The Regents' salary program (<https://www.ucop.edu/academic-personnel-programs/files/1920/president-acad-salary-plan-ltr.pdf>) requires increases to scale rate salaries. This is the second year of a 3-year system wide plan to re-build competitive scale salaries. The Regents' plan covers **all** non-represented academic employees, but the rate change differs by group (see below). For ladder rank faculty, professors of teaching and related titles, scales will increase by an annualized amount of 4% (plus some rounding and smoothing done by UCOP), effective October 1, 2019. Since the increase is occurring October 1 rather than July 1, the actual increase to scales will be 5.33% (4%/0.75). Although this mandated increase is to base only, UCR will examine all faculty salaries to ensure at least a 3% increase to total (i.e. including off scale). Above scale faculty will receive an annualized 3% increase. Again, because this will occur October 1 rather than July 1, the actual increase will be by 4% (3%/0.75= 4%), so that the 12 month increase is 3%. All other academics will receive a 3% increase effective July 1.

- **A 4.0% scale rate increase, with adjustment so that minimum raise is 3% to total salary (i.e. including O/S portion)**
 - Ladder Rank faculty (Tables 1-4, 7-8) effective October 1, 2019
 - Professors of Teaching (Lecturers and Sr. Lecturers with Security of Employment/Potential Security of Employment) (Tables 1L-5L, 7L-8L) effective October 1, 2019
 - Health Sciences Compensation Plan (HSCP) faculty (X and X' only) (Table 5, 0-9) effective October 1, 2019
 - Academic appointees with salaries tied to these same scales (i.e. Tables 1-4, 7-8) effective October 1, 2019
 - Supervisors of Physical Education Series (Table 9) effective October 1, 2019.
 - Minimum Salary scales (Tables 1M-3M, 5M) effective October 1, 2019

- Academic Standard Table of Pay Rates (Table 39/39N) effective July 1, 2019
- **Represented academic personnel will continue to be compensated according to their contracts**

 - Academic Student Titles (BX) will see a 3% rate increase (Table 18-20) effective October 1, 2019
 - The Academic Researchers Unit (represented titles for Professional Researchers, Project Scientists, and Specialists) are currently in bargaining for their first contract. No increase has been agreed upon, and any increase will be pending final contract ratification.

- Deans and other full-time faculty administrators will be eligible for funds distributed on the basis of meritorious performance up to an amount collectively totaling 3% of administrators' salaries

The Academic Personnel Office will work with UCR UCPATH Campus Support Center to implement the range adjustment for Academics. This process requires collaboration with UCPATH Center for automatic updates to UCPATH to adjust the salary scales for all eligible academic Job Codes.
