

Highlights of the AY25-26 CALL Changes

1. Revise of addendum, including a section that addresses the impact of federal decisions
2. Teaching effectiveness discussion
3. New section in department letter template to call attention to specific nuances associated with the review
4. New location in eFilePlus for mentoring statements
5. Clarification around solicited letters from previous years
6. Remove the “no extension to deadlines” language in the CALL around career reviews
7. Align the period of review in the solicitation of letters for advance to a/s with the language in the CALL
8. Clarifying what “clear” means in regard to if Dean’s need to write letter
9. Discrepancy on p.11 about including votes requested
10. Added a page limit of 5 to self-statements for promotions, advance to VI and advance to a/s
11. Mentioned that manuscripts posted on open-access archives are not to be included in difference lists
12. Clarifying the same snapshot can be used for a vote on a merit when there is a vote on a lateral promotion.
