RE: Temporary 30- Day Separation Waiver of Recall Appointment

Academic Personnel Manual (APM-205-20-b), Recall for Academic Appointees, requires a 30-day separation in service before a recall of a retired academic appointee. As a result of COVID-19 emergency response and unpredictable workforce shortages, the UC Office of the President (UCOP) has approved a temporary waiver of the 30-day separation requirement for recently retired academic appointees. This temporary waiver of the 30-day separation requirement will remain in effect until December 31, 2020. All other requirements for the recall of academic appointees as outlined in APM-205 remain in effect.

For questions, please send an email to academicpersonnel@ucr.edu.

Sincerely,
