Academic Personnel Office

The Academic Personnel Office facilitates the recruitment, development, and retention of academic employees of the highest caliber.

We provide leadership, training, and assistance on policy issues associated with the employment and advancement of academic employees.

<http://academicpersonnel.ucr.edu/>

Advancement and Promotion at UCR

This brochure presents information about the process of advancement and promotion at UCR.

<http://academicpersonnel.ucr.edu/faculty/CNASAdvandPromoUCRiverside.pdf>

Academic Personnel Manual (APM)

The APM includes policies and procedures pertaining to the employment relationship between an academic appointee and the University of California. For academic appointees covered by a Memorandum of Understanding (MOU), the APM applies only to the extent provided for in the MOU.

New Faculty Orientation 09-10 AY Online Resources

Graduate Division

Academic Preparation and Outreach is a vital component of the Graduate Division (and the campus as a whole) and strives to diversify and increase our graduate student population by facilitating the recruitment and retention of high quality students in UCR's 43 graduate programs.

<http://www.graddiv.ucr.edu/>

Undergraduate Education

Undergraduate Education provides students and instructors with resources that promote academic excellence and student success. The Office of Undergraduate Education serves as the central administration for a number of organizational units across campus that enhance the undergraduate student experience.

<http://ue.ucr.edu/>

Office of Research

The Office of Research (OR), through its Sponsored Programs Administration (SPA) unit, is UCR's institutional office responsible for reviewing, endorsing and submitting proposals to extramural sponsors for research, training, instructional and other activities. In cooperation with other central offices, SPA provides research administration training courses to the campus community.

<http://www.ora.ucr.edu/index.aspx>

Office of Strategic Communications

The Office of Strategic Communications supports the University's mission of teaching, research and service through effective communication with the campus community and the public.

<http://strategiccommunications.ucr.edu/>

Diversity

The diversity of the people of California has been the source of innovative ideas and creative accomplishments throughout the state's history into the present. Because the core mission of the University of California is to serve the interests of the State of California, it must seek to achieve diversity among its student bodies and among its employees.
