This is general information on Conflict of Commitment and Outside Activities. For more information on the policy, please refer to the Academic Personnel Manual (APM), APM 025 and APM 671. For Deans and Faculty Administrators (100% time), please refer to APM 240-20-c and APM 246-20-c respectively.

FACULTY OBLIGATIONS

The UC Regents’ Standing Order 103.1(b) states that faculty members shall not allow outside employment to interfere with primary University duties. University policy applicable to Academic Senate members is found in APM—025 (general campus faculty) and APM-671 (Health Science Compensation Plan Faculty); each policy includes specific time limits for certain types of outside professional activities.

A conflict of commitment occurs when a faculty member’s outside activities interfere with the faculty member’s professional obligations to the University of California.
